Sutherland Air Force Cadets March In Christmas Review Parade

Local Australian Air Force Cadets paraded at the Loftus Multi User Depot on Sunday 6 December 2009 in front of a large crowd of family and friends.

The Reviewing Officer was Danna Vale MP, Federal Member for Hughes, who was watched by the Mayor, Councillor Lorraine Kelly and Member for Cronulla, Malcolm Kerr MP and many special guests from the local veteran community.

Danna Vale said it was a privilege to inspect the parade as Reviewing Officer.

“The Cadets are to be congratulated for their exceptional efforts and achievements and their precision in the parade.

“These young adults from the Shire demonstrate the fine qualities that the Air Force endeavours to instil in young people: leadership, self reliance, confidence, team work and communication. Today they are the pride of the Shire, indeed they are the pride of the nation,” Mrs Vale said.
